Dear Governor Vardaman,

As a result of your recent telephone conversation with [] in the Director's office, I have asked our Personnel Director to review the file on [] in the light of current openings. We find, however, that there is nothing available at present in which [] intelligence background and special qualifications can be utilized.

I have also gone over his file carefully and agree with you that he has exceptional qualifications for certain fields of intelligence. His application will be kept active and we will watch for an opening that we think he would find interesting and where he could be helpful to us.

Your interest in our work is sincerely appreciated.

Sincerely,

[]
Assistant to the Director
